## 5000 Advanced OEM Application Specific Formulation Brake Pads

Dynamic Friction Company

- ◆ Most exclusive aftermarket brake pad
- ◆ 17 different formulations
- ◆ Formulated for each axle on every vehicle
- ◆ Friction materials designed to meet the demands of modern vehicles with ABS and Automated Braking Systems
- ◆ Designed for all Euro, Asian, Exotic, Domestic & Light Truck applications
- ◆ Designed to deliver a consistent pedal feel and superb brake response
- ◆ Long pad wear

This is what our partners in business are saying about 5000 series brake pads:

“After installing DFC 5000 brake pads on my personal vehicle, I will use for all premium friction needs”

“Great pedal feel and excellent stopping”

“I use 5000 series for every Euro application and C&M delivered in under an hour!”

“I get excellent feedback from my customers after installing 5000 series pads”

“DFC 5000 pads are my go to for both truck and Euro applications”

**DFC 5000 series = Exceptional stopping and safety for your customers & Increased bay efficiency and profitability for you!**
