5000 Advanced OEM Application Specific Formulation Brake Pads

Dynamic Friction Company

- ◆ Most exclusive aftermarket brake pad
- ◆ 17 different formulations
- ◆ Formulated for each axle on every vehicle
- ◆ Friction materials designed to meet the demands of modern vehicles with ABS and Automated Braking Systems
- ◆ Designed for all Euro, Asian, Exotic, Domestic & Light Truck applications
- ◆ Designed to deliver a consistent pedal feel and superb brake response
- ◆ Long pad wear

This is what our partners in business are saying about 5000 series brake pads:

“After installing DFC 5000 brake pads on my personal vehicle, I will use for all premium friction needs”

“Great pedal feel and excellent stopping”

“I use 5000 series for every Euro application and C&M delivered in under an hour!”

“I get excellent feedback from my customers after installing 5000 series pads”

“DFC 5000 pads are my go to for both truck and Euro applications”

DFC 5000 series = Exceptional stopping and safety for your customers & Increased bay efficiency and profitability for you!
