C&M's Goal is to Serve you Better in times of limited resources

- Order Accuracy

- >Use license plate or vin look up
- >Have vehicle info ready before call

- Delivery Efficiency

- >Provide time frame needed so dispatcher can schedule to your needs
- >Combine orders to save time (one delivery instead of two)
- >Order Cancellation– call immediately & don't wait for part to arrive

- Special Orders (Manufacturer Direct Orders/Dealer Pickups)

- >Only if needed (never just in case)
- >Will not be accepted back as return

- Payment

- >Have cash ready (drivers will not wait)
- >Part matching only if part is off the vehicle (drivers will not wait)
- >Weekly & Monthly– mail or hand to driver (no special trips to pick up)

- Returns

- >Cash sales– have core ready or pay for core (driver will not wait)
- >Return parts frequently and separate from other suppliers (large returns will be charged RSF)
- >Return percent must be below 10% to avoid RSF
- > must be in re-sellable condition or credit will not be issued
- >Defects– must call for approval in advance to receive credit
- >Product must be purchased from C&M to receive credit

Thank you for your cooperation & partnership!

Denso Honda Alternator Update

No warranty if unit is oil contaminated. See Honda TSB 20-023 for oil leak at rocker arm oil control valve for part #s 210-0645, 210-0750 & 210-0766. Check vehicle for oil leaks before alternator installation. Look for informational tag in box.
